

HARRIMAN SAYS HE RAISED \$200,000 FOR REPUBLICAN CAMPAIGN IN 1904 AT REQUEST OF THEO. ROOSEVELT BUT PRESIDENT DENIES THE CHARGE

New York, April 2.—Not in years has such excitement been created by the explosion of a bomb as today has been stirred by the publication of the letter of Harriman to Sidney Webster in which Harriman declares that Roosevelt appealed to him to save the Republican party from defeat in 1904.

Of great consequence is the attitude in which it places Mr. Roosevelt, who, on November 4, 1904, made the declaration that the charge made by Parker that the trusts were furnishing the Republicans with funds was "atrociously false."

Harriman's letter states that the President appealed directly to him, and that he raised the \$200,000 desired to swing the vote of New York.

Harriman admits writing the letter. Washington, April 2.—E. H. Harriman's letter written to Webster, in which the railroad magnate says he raised \$200,000 for the Republicans in 1904, at the request of Roosevelt, who promised to have Depew named as ambassador to France, has created a big stir.

The President got a copy of the letter and Harriman's explanation to

day. The sensation at the publication of the letter is greater because of the fight now on between Roosevelt and the railroads. Harriman in the letter, says he gave \$50,000 himself.

President Roosevelt this afternoon gave the lie to the assertions made in the Harriman-Webster letter by making public copies of the letters which the President wrote to Congressman Sherman last October. In one of these letters the President said: "I understand you to say that he (Harriman) alleged that I made this promise (referring to Depew as ambassador to France) at the time when he had come down to see me in Washington, when I requested him to raise \$250,000 for the Republican campaign which was then on. Such a statement is a deliberate and willful untruth. By rights, it should be characterized by even a shorter and more ugly word. I never requested Harriman to raise a dollar for the campaign of 1904."

After giving out the correspondence the President said: "I feel particularly fortunate in having been attacked within the last few days by both ex-Senator Burton of Kansas, and E. H. Harriman."

DR. HAMILTON TODAY DECLARES THAT HARRY K. THAW IS INSANE ATTENDANTS AT TOMBS TESTIFY

New York, April 2.—The most important witness before the Thaw lunacy commission today was Dr. Hamilton, whose testimony that he considered Thaw insane, precipitated the appointment of the commission. Dr. Hamilton swore that he does not consider Thaw capable of advising his attorneys. He said Thaw is suffering from chronic delusion insanity, known as paranoia. Dr. Hamilton told of his visit to Thaw June 28 in the Tombs. "Thaw came into the room," he said, "and came and sat down by me. Then he looked under the bed to see if any one was there, but did not look in the closet or hall

where any one could have been. Dr. McGuire was with me, but Thaw would not talk to him, and I asked the doctor to leave." Mr. Hartridge, Thaw's attorney, took up the cross examination. He asked Dr. Hamilton why he had waived his privilege in testifying. Dr. Hamilton answered "Well, if I saw a man starting to commit suicide, I would try to save him so when I saw a man being tried for his life whom I do not believe ought to be tried, I wished to save his life." Attendants at the Tombs testified. There was difference of opinion among them as to Thaw's sanity.

BANKER SALMON GOES TO PRISON

Warsaw, Mo., April 2.—Major Harvey W. Salmon, one of the owners of the Salmon & Salmon bank, which failed at Clinton, Mo., on June 21, 1905, with liabilities of \$1,000,000, was found guilty by a jury here on the charge of grand larceny, based upon the allegation that he received deposits when he knew his bank to be in a failing condition. His punishment was fixed at three years in the penitentiary. Major Salmon was formerly prominent in the politics of this state.

LOU DILLON CASE IN NEW YORK COURT

New York, April 2.—In an effort to recover from Elmer E. Smathers the gold cup won by his horse Major Delmar in a race with the trotting mare Lou Dillon, at Memphis, on Oct. 18, 1904, the Memphis Trotting association as plaintiff began to lay before Justice Greenbaum and a jury in the supreme court all of the facts connected with the alleged drugging of the mare as the result of a conspiracy said to have been planned by Mr. Smathers. The board of review of the National Trotting association took the matter up last year, and in December awarded the cup to Mr. Smathers. The Memphis association now claims the board of review acted irregularly, and the entire matter is to be threshed out in court.

VATICAN'S DOCUMENT

Rome, April 2.—Work on a document which will point out the errors that have been condemned at various times by the popes since the syllabus of Pius IX, published in 1864, is approaching completion. Although the vatican does not wish this document to be called a new syllabus, it is evident that the two productions will have much similarity and that the new document will cause as much discussion as did the syllabus of 1864.

CAPTAIN MACKLIN GIVES HIS TESTIMONY

Washington, April 2.—The testimony of Captain Edward Macklin of Company C, Twenty-fifth infantry, was taken by the senate committee on military affairs in the Brownsville investigation. It proved interesting, particularly for the reason that Macklin is to be tried by court-martial after his return to Texas, and for the further reason that he was shot by an unidentified negro at Fort Reno after the negro soldiers were taken away from Fort Brown. Although there is no evidence to show that the Brownsville affray was responsible for the attack upon him, many persons have expressed the opinion that the two incidents are connected, particularly as he was the first of the white officers to produce damaging evidence against the soldiers. Macklin does not now believe the negroes were guilty of shooting up Brownsville, according to his story told on the stand.

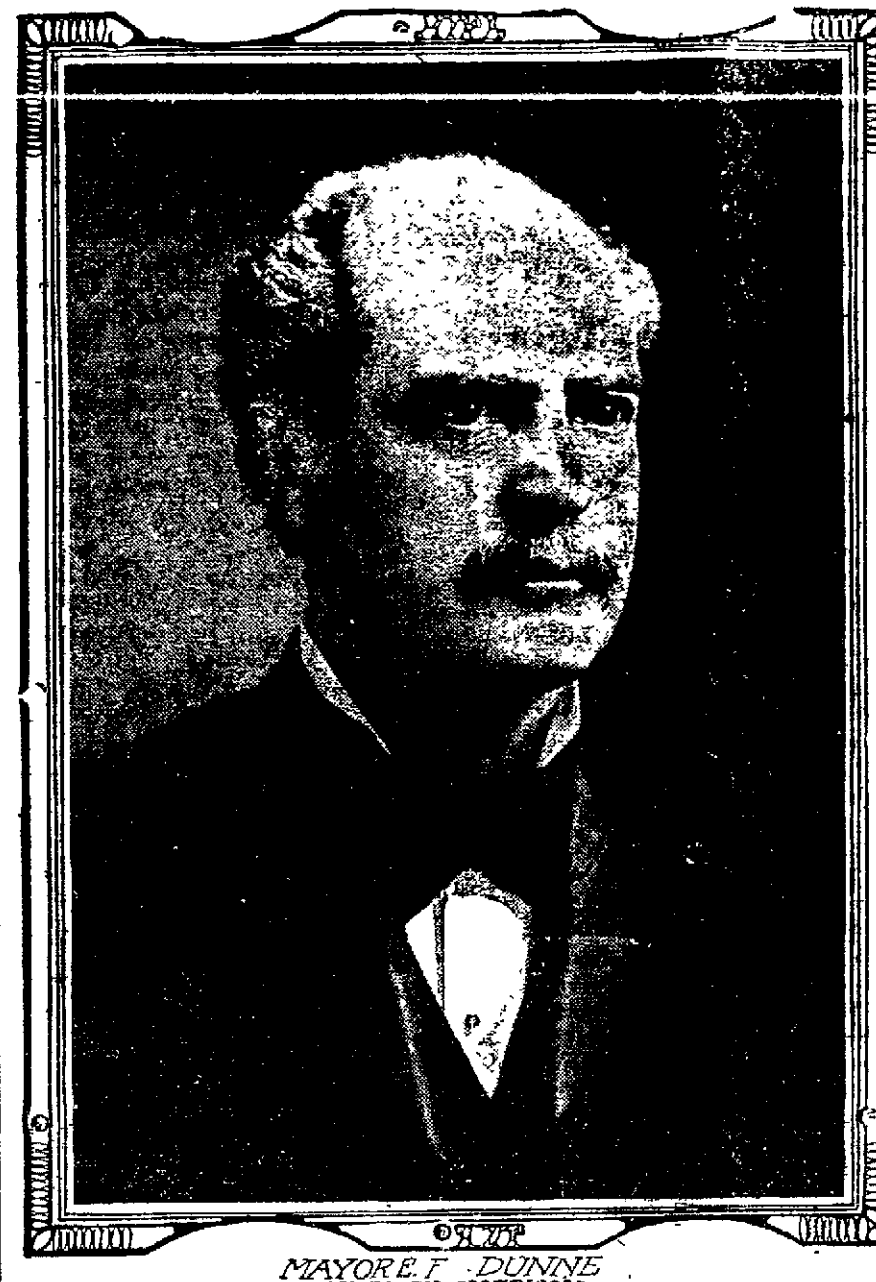

PORT CAPTURED

New Orleans, April 2.—The capture of Port Livingstone, Honduras, by Nicaraguans, was reported by passengers of the steamer Harry T. Inge, which arrived here from Central American ports. Four Honduran soldiers were reported to have been killed in the fight and the defeated garrison numbered about 200. No details about the attacking force were obtained. The capture was made March 28, and on the following day Hondurans, with about 100 reinforcements, made an unsuccessful attempt to recapture the port.

Beatification of Pius IX.
Rome, April 2.—An ecclesiastical "process" looking to the beatification and finally the canonization of Pope Pius IX, who was elected in 1846 and died in 1878, has been begun in the diocese of Sinigaglia, where Pope Pius was born, and will be continued in the diocese of Imola, where he served as bishop. The "process" starts with inquiries and the examination of witnesses. The entire proceedings are very long and in some cases last for a full century.

HEAVY VOTE IS BEING CAST TODAY AT CHICAGO IMPORTANT ISSUES BEING INVOLVED IN CONTEST

CHICAGO, April 2.—Herewith are shown excellent portraits of the two candidates for the office of Mayor of Chicago. The campaign has been unusually hot, hundreds of meetings daily and tons of literature being features. Mr. Dunne's newspaper support is confined to the Hearst papers and Mr. Hearst has taken an active part in the campaign.

MAYOR-ELECT FRED A. DUNNE

The battle which will today end the bitter contest between Mayor Dunne and Postmaster Busse for the office of mayor started in with a rush this morning. Between 6 a. m. and 4 this afternoon when the vot-

ing places close, it is expected that nearly 400,000 persons will have voted. The cool crisp weather is favorable to a heavy vote.

Busse claims he will be elected by 40,000 votes. Dunne figures that 35,000 will represent his plurality.

Aside from voting for a mayor for the new term of four years the citizens are also casting ballots today in the hope of settling the traction question. On this issue Busse and the traction interests are on one side and Dunne, fighting for the people's side is on the other.

Approval or rejection of the street railway franchise ordinances has been the issue. The Democrats are standing for municipal ownership and rejection of the ordinances. It is estimated that \$2,000,000 in bets have been wagered on the result of today's contest.

UNIONS FIRM SAYS GARRETSON THIS AFTERNOON

"WE ARE JUST AT STARTING
POINT," SAYS THE GRAND
CHIEF.

WITHIN THE NEXT 12 HOURS

Conclusions of Present Negotiations
May Be Known—A Crucial Stage
Again Appears.

(Bulletin.)

Chicago, April 2.—At a moment when the railroad situation seemed to have passed the most crucial stage because of the announcement that the managers were about to grant a 12 per cent increase in wages, if the employees would waive the nine hour day, the radical elements in the union committee became active and again filled the situation with uncertainty today. The proposed increase limited to flagmen is not regarded favorably by other classes and a meeting was held.

Grand Chief Garretson said this afternoon: "We are just at the starting point. The unions have not moved an inch from their position since the commissioners came home. If the railroads do not show a disposition to concede something pretty soon, the patience of the men will be exhausted. Ninety-seven per cent has instructed us to strike if we cannot get 12 per cent for all classes and nine and ten hour days. If the railroads will not grant either concession there is no alternative but obedience to the will of the majority. A conclusion of the negotiations is expected within 12 hours."

AS IT LOOKED THIS MORNING.

Chicago, April 2.—The railway employees in the train service of the western railroads have reduced their demands to a nine-hour workday, and the government officials who came to Chicago to bring about a peaceable adjustment of the threatened strike are working hard to overcome that obstacle. Commissioners Knapp and Neill held an almost continuous session with the general managers and the representatives of the trainmen and conductors. The opposing interests met in adjoining rooms and the peace emissaries went back and forth between them, urging one side or the other to concede a point in the interests of peace. The men signified their willingness to accept the wage increase offered by the railroads if the

managers would grant the demand for the nine-hour day.

The labor delegates declared that the wage increase asked for was a minor consideration with them, but that they could not face their constituents without securing improvements in the working conditions.

It was learned that the nine-hour demand of the locomotive firemen was what has prevented a settlement of that end of the labor difficulties the western railroads are experiencing. While acting separately entirely from the conductors and trainmen, the firemen are standing out for the same demands, and it is said in the event of a strike being ordered, they too would walk out.

RAZED A VILLAGE

Belgrade, Serbia, April 2.—It is reported here that a band of Bulgarians has attacked the old Serbian towns of Rudnik and Toplica, burning 30 houses, killing seven men and maltreating a number of women and children. Increasing bitterness is being displayed here toward the Bulgarians, owing to the belief that while the powers have called the attention of the governments of Serbia and Greece to the atrocities perpetrated by Serbian and Greek bands, they have made no protest to the Bulgarian government against the actions of Bulgarian bands.

MIRACULOUS ESCAPE OF C. FREASE FROM INSTANT DEATH AT CROTON

Wagon Hurled Nearly 100 Feet by Train and Demolished
---One Horse Fatally Hurt but the Other Like
Mr. Frease Escaped Injury.

Charles Frease, a farmer aged 43 years, had a miraculous escape from instant death at Croton, Tuesday morning, when his wagon and team were struck by a T. & O. C. freight train and hurled nearly 100 feet. Mr. Frease went with the vehicle and through an act of Providence escaped without a scratch, though the wagon was utterly demolished and one horse was instantly killed. The other horse also escaped unhurt though it was hurled nearly 100 feet over an embankment.

The accident happened at the Croton station 40 feet or less from the depot platform. Mr. Frease was hauling his household goods from Appleton to Croton where he expects to live. He was returning to Appleton for another load of furniture when the accident occurred.

All view of the track is shut out by the building and the engineman failed to sound a whistle or bell. Unconscious of his great danger, Mr. Frease drove right onto the track before he observed the oncoming train.

In an effort to save his horses and himself from injury, he turned their

heads violently to the right, but the speed of the train was too great for him to avoid the accident, and the outfit was struck by the locomotive with a crash.

Mr. Frease found himself traveling through space at a terrific rate of speed and about 60 or 70 feet from the road he came to earth. It was a minute or two before he realized what had happened and after taking a hurried invoice he found that he had not sustained a scratch.

The wagon, however, was demolished. One horse was dying when he got to his side 50 feet further down the track. The other horse was just regaining its feet none the worse for its terrible experience. The wagon was demolished and lay in a heap at the side of the track.

The train was stopped as quickly as possible and the trainmen returned to the crossing expecting to find the mangled corpse of the driver, but were astonished to see him picking up his whip and cushions from the scattered debris.

Mr. Frease insists that the trainmen did not sound any signal of their approach.

ORDER IS RESTORED NOW IN ROUMANIA

Bucharest, April 2.—An official report, based on intelligence received from all parts of the country, indicates that tranquillity is being restored generally throughout Roumania. Steps are being taken to deal with the bands of marauding peasants, who are still active, but it is now said that the peasants are abstaining from pillage and incendiarism. In conclusion, the report says that the violent phase of the agrarian movement may now be considered over.

Ruef's Petition.

San Francisco, April 2.—On the eve of his trial on the charge of extorting \$25,000 from French restaurant keepers of this city called before Judge Dunne in the superior court today, Abraham Ruef asked the supreme court of California to free him from the custody of Elisor Biggy and order him into the charge of the sheriff, whom Judge Dunne disqualified on the ground of personal interest. Ruef claims his detention is illegal.

POOL ROOM PATRONS GET SUBPOENAS

New York, April 2.—Assistant District Attorney Vandiver said that 65 subpoenas had been issued for patrons who have placed bets with an alleged poolroom syndicate, the three offices of which were raided by a force from the district attorney's office last week. Mr. Vandiver later had a conference with several officials of different banks and said that as a result he had come into possession of a number of checks made out by men who had lost on the races and who sent checks to cover their losses. One check was for \$25,000.

FIGHTING IT OUT AT POLLS TODAY IN WINDY CITY

PERPLEXING STREET CAR PROBLEM IS UP TO THE VOTERS OF CHICAGO.

FAIR WEATHER, A HEAVY VOTE

Close of One of the Most Remarkable City Campaigns in History of the Country

Chicago, April 2.—The municipal campaign, which closed on Monday night with both parties holding scores of meetings all over the city, was the most spirited fight for mayor that has ever taken place in this city. The feeling between the candidates and their lieutenants became so bitter during the campaign that "personal abuse" had been the issue for over two weeks. The weather today is clear and warm, and as heavy a ballot as a presidential election would bring out is being cast.

The streetcar question, which has been before the public for the past 10 years, will be settled at the polls today if the voters of the city adopt by referendum vote the ordinances recently passed by the city council over Mayor Dunne's veto, granting 20-year franchises to the two streetcar companies. If these ordinances fail of public adoption and Mayor Dunne, the Democratic candidate, is re-elected, efforts will be made at once, according to Mayor Dunne, to procure immediate municipal ownership of the street railways. The ordinances before the people provide that the city on six months' notice may acquire the street railway systems for \$50,000,000, plus the cost of rehabilitation, which is to be undertaken immediately under the supervision of the city engineer. The ordinances also provide for through routes, universal transfers, 5-cent fares and the payment to the city of 55 per cent of the net income. The books of the companies are to be open to the city officials.

Several nonpartisan organizations have worked with the Republicans, who are supporting Postmaster Fred A. Busse for mayor, to procure the adoption of the ordinances, and the prediction was made by the heads of these independent bodies that the ordinances will be rejected. Mayor Dunne believes that the people want immediate municipal ownership and that they will re-elect him and reject the ordinances.

HER LIFE.

A SURPRISE BY THE DEFENSE

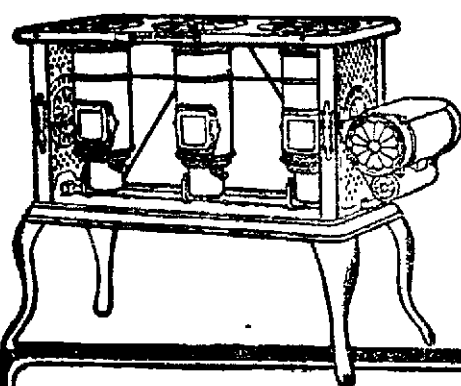

Announcement Created a Sensation
When Papers Were Filed at
Concord Today.

Concord, N. H., April 2.—Mrs. Mary Baker Eddy, founder of the Christian Science church, has given her millions into the charge of three men, prominent in the church, who will act as trustees as long as she lives. The transfer, made on March 6, became known this afternoon when the attorneys appeared before the court to make the returns to suit to compel the leaders of the church to answer to the charges of mismanagement and appropriating Mrs. Eddy's property. This is the surprise mentioned by the defense. It created a great sensation when the papers were filed. The trustees are empowered to control the property during Mrs. Eddy's life.

MAYOR'S BUDGET SHOWS TAX LEVY OF 13 3-4 MILLS FOR NEXT YEAR

Annual Budget Submitted to Council Monday Night—Julius Juch's Public Safety Salary Still in Muddle—Ordinance to Give Him \$75 More a Year Has Been Tabled Again.

WHAT COUNCIL DID MONDAY NIGHT

Council again blocked Julius Juch's \$150 per year salary coup. Refused to extend North Tenth street from W. D. Fulton's property to Hoover. Received Mayor McNealey's report of the collection of \$388 in fines, costs and licenses. Received the Mayor's budget showing that \$80,750 in needed to run the city for 1908, requiring a tax levy of 9 1-2 mills for municipal purposes. The sinking fund will require 4 mills and the hospital fund 1-4 mill, making a total levy of 13 3-4 mills. Declared it necessary to improve Williams street for 1532 feet north of West Main.

Monday night's meeting of the City Council was not long, but there was considerable business disposed of in a short length of time.

Julius Juch's salary ordinance was defeated temporarily by being tabled for two weeks, pending the placing of the matter before the attorney general again.

Mayor McNealey submitted his annual budget showing the tax levy for 1908 would be 13 3-4 mills, one-fourth mill less than was required for last year.

A number of other minor matters were disposed of in the routine business of the evening.

The Proceedings.

The street committee reported on the ordinance to extend Tenth street from W. D. Fulton's property to Hoover street. Another report from this committee recommended that a 10 inch sewer be constructed on Fulton and Bowers avenues. The reports were adopted.

The mayor's report for the month of March showed the following collections:

Fines in state cases for county	\$105 50
Fines in city cases for city	153 00
Licenses	33 00
Fees for chief of police—State	25 00
Fees for chief of police—City	24 00
Fees for mayor in state cases	48 00
Total fines, costs and licenses collected	\$388 50
The mayor's budget for the year 1908 was submitted and is as follows:	
Amount needed for General Fund	\$ 14,689
Public Safety Fund	50,760
Public Service Fund	54,200
Public Health Fund	00,000
Total	\$119,659
Estimated receipts from Dow tax, fines, licenses, rents and interest, including estimated balances remaining in different funds at end of year	\$38,909
Balance to be raised by tax	\$80,750
Based in the property valuation of the city, it will require a levy of 9 1-2 mills for the above amount. The mayor stated that he had not received a report from the sinking fund trustees regarding the levy for their department but understood that they would not require a greater levy than 4 mills. The hospital levy has been reduced five-hundredths of a mill, making 1-4 mill to be levied for that purpose. The tax levy looks then, like this:	
Levy for Public Safety	3 3-4 m
Levy for Public Service	5 3-4 m
Total for municipal pur.	9 1-2 m
For Sinking Fund	4 m
For Hospital	1-4 m
Total levy	13 3-4 m

The mayor also recommended that the council take immediate steps to provide signs for all streets in the city and see that they were put in place as soon as possible.

The Public Service Board reported to the council that the plans, specifications, profiles and estimates for the Williams street paving were on file at their office, having just been completed by the city engineer.

Councilman McNealey presented a petition from Dr. Carl Evans and another North Fourth street resident asking that the alley between their property be vacated by the city. It is a "dead" alley and the city has assessed the alley for the street paving and sewer purposes. B. F. McDonald addressed the council on behalf of the petitioners. The petition however was referred to the street committee.

Mr. Caine introduced an ordinance authorizing the making of a contract with some hospital for the care of indigent sick and injured. According to the new ordinance, the mayor and auditor will advertise for bids and make a contract for two years with the lowest bidder. The bidder will name his price per week for each patient. The ordinance was referred to the finance committee.

An ordinance on its second reading introduced by Mr. Conrad, making it a misdemeanor to allow electric

wires, other than those for electric light and power purposes, less than 30 feet from the ground, was passed under a suspension of the rules.

Councilman Conrad's ordinance transferring funds was on its third reading. This is the ordinance which Public Safety Member Juch has been trying to get through for several months.

Councilman Beadle made a motion to amend the ordinance by striking out the portion which would give Mr. Juch his \$75 additional salary. When the question was put to vote, it was lost, Councilmen Moser, McNealey, Conrad and King voting against the amendment and Councilmen Beadle and Caine voting for it. Councilman Hughes remarked as the clerk called his name, "I pass."

Councilman Conrad finally made a motion to table the ordinance until the next meeting night. The motion carried. It is hoped that the attorney general will be heard from by that time and the question settled definitely.

A resolution by Mr. Conrad to reduce the bond of the Newark Trust company as a city depository was passed. The deposit has been reduced to \$15,952 and the bond was made \$20,000.

A resolution by Mr. Beadle was adopted, instructing the board of service to have plans prepared for a sewer on North avenue from the second alley north of Main street, to Main street.

A resolution asking for plans for a sewer on Bowers and Fulton avenues was passed. Councilman Moser's resolution declaring it necessary to improve Williams street by paving was passed on a suspension of rules.

TRUTH AND QUALITY

appeal to the Well-Informed in every walk of life and are essential to permanent success and creditable standing, therefore we wish to call the attention of all who would enjoy good health, with its blessings, to the fact that it involves the question of right living with all the term implies. With proper knowledge of what is best each hour of recreation, of enjoyment, of contemplation and of effort may be made to contribute to that end and the use of medicines dispensed with generally to great advantage, but as in many instances a simple, wholesome remedy may be invaluable if taken at the proper time, the California Fig Syrup Co. feels that it is alike important to present truthfully the subject and to supply the one perfect laxative remedy which has won the approval of physicians and the world-wide acceptance of the Well-Informed because of the excellence of the combination, known to all, and the original method of manufacture, which is known to the California Fig Syrup Co. only.

This valuable remedy has been long and favorably known under the name of—Syrup of Figs—and has attained to world-wide acceptance as the most excellent of family laxatives, and as its pure laxative principles, obtained from Senna, are well known to physicians and the Well-Informed of the world to be the best of natural laxatives, we have adopted the more elaborate name of—Syrup of Figs and Elixir of Senna—as more fully descriptive of the remedy, but doubtless it will always be called for by the shorter name of Syrup of Figs—and to get its beneficial effects always note, when purchasing, the full name of the Company—California Fig Syrup Co.—plainly printed on the front of every package, whether you simply call for—Syrup of Figs—or by the full name—Syrup of Figs and Elixir of Senna—as—Syrup of Figs and Elixir of Senna—is the one laxative remedy manufactured by the California Fig Syrup Co. and the same heretofore known by the name—Syrup of Figs—which has given satisfaction to millions. The genuine is for sale by all leading druggists throughout the United States in original packages of one size only, the regular price of which is fifty cents per bottle.

Every bottle is sold under the general guarantee of the Company, filed with the Secretary of Agriculture, at Washington, D. C., that the remedy is not adulterated or misbranded within the meaning of the Food and Drugs Act, June 30th, 1906.

Mr. Tuttle expects to spend three or four months in resting. He is unable to say at present what he will do after that time, but, as he is an experienced hotel manager, he will probably engage in that business.

DEATHS AND FUNERALS

EMILY A. MOORE.

Entered into rest at 10:30, on the morning of April 1, 1907, Emily A. Moore, sister of Mr. John B. Moore, of this city, and Mrs. S. M. Larwill of Mansfield, Ohio. The funeral services will be held at 2:30 Wednesday afternoon at the First Presbyterian church.

For years Miss Moore made a brave fight with the disease to which she finally succumbed, and it was only a few weeks before her passing away that it became evident that her days were numbered, the end coming peacefully at the home of her sister, Mrs. Larwill.

For more than 25 years the principal of the Newark High school, Miss Moore's name was a household word in this community, and it is fitting that a brief outline be given of the life that is endeared to so many. Emily A. Moore was the elder of two daughters born to John Moore and Mary Ellen (Brice) Moore, at Mary Ann Furnace, northeast of Newark.

Her mother dying while she was a small child, her father's second marriage gave her a fostermother to whom her heart was knit, and most beautiful was their mutual devotion, when the vicissitudes of life left but these two in the home.

Miss Moore's credentials as a Daughter of the American Revolution bear record that she was a lineal descendant of Col. Benjamin Wilson, a delegate to the Virginia convention that ratified the constitution of the United States.

In the war of the Revolution, Col. Wilson formed and equipped his own regiment, and for services rendered, received a grant of 4000 acres of land in Licking county, Ohio. Miss Moore was interested in club work, being a member of the Travellers' club of Mansfield, and till the present year of the Monday Talks of this city. In the country home of her early childhood, the subject of this sketch learned from trees and running brooks, that love of nature, that was so strongly hers. Here too, with a circle of little cousins, was begun her education, under the care of a governess, and in her young womanhood, her education was, in the phrase of the day, "finished" at Putnam seminary, when she entered upon the profession to which she was to devote the best years of her life.

An earnest, faithful, successful teacher, her best instruction was not from the books, but in the lessons that impressed the beauty of truth, purity and devotion to duty—a sweet womanliness, a staunch manliness. And what strong personal attachments she had for her pupils, that followed them from the school room out into the world! Aye, and her prayers, too.

A marked characteristic was an unswerving loyalty—to her friends, to

Rheumatism

I have found a tried and tested cure for Rheumatism! Not a remedy that will straighten the distorted limbs of chronic cripples, nor turn bony growths back to flesh and sinews. That is impossible. But I can now surely kill the pains and pangs of this deplorable disease.

In Germany—with a Chemist in the City of Darmstadt—I found the last ingredient with which Dr. Shoop's Rheumatic Remedy was made a perfected, dependable prescription. Without that last ingredient, I successfully treated many cases of Rheumatism; but now, at last, it uniformly cures all curable cases of this heretofore much dreaded disease. Those sand-like granular wastes, found in Rheumatic Blood, seem to dissolve and pass away under the action of this remedy as freely as does sugar when added to pure water. And then, when dissolved, these poisonous wastes freely pass from the system, and the cause of Rheumatism is gone forever. There is now no real need—no actual excuse to suffer longer without help. We sell, and in confidence recommend

her church—the "Old First," the church of her fathers—to her convictions. And hers was a generosity of nature that gave freely, whether of sympathy, or of appreciation, or of material benefit.

A life such as hers does not pass with the passing—when the kind eyes no longer smile at us, the ears no more heed our words, the hands are folded over the still breast—but lives perennial in its influence for good.

She is not dead, but sleepeth.

ALVA W. WILCOX.

At a late hour Tuesday the particulars of the death of Mr. Alva W. Wilcox, formerly of this city, which occurred in Charleston, S. C., on Saturday last, had not been received by the relatives here. Other than the fact that Mr. Wilcox died as a result of hemorrhages following an attack of fever, little is known of the facts concerning the death. The burial will take place at Charleston.

Mr. Wilcox has been in the South about two years, having previously been engaged with his father in the contracting business here. He went to Charleston and at once became interested in the Chicora Corporation company, of which he was president. The company is interested in real estate near the Charleston navy yards.

The deceased was most generally and favorably known over the city, and was highly respected by all who came in contact with him. He was a member of the local lodge of Elks. Mr. Wilcox accompanied his father's body to this city last October.

There remain the wife and four children, Lucille, Ruth, Harold and Doris, one sister, Mrs. J. M. Reese of Columbia street, and two brothers, Clarence Wilcox of this city, and Will C. of Cleveland.

CARD OF THANKS.

Mr. and Mrs. L. H. Pine desire to thank their many friends in Newark and Granville for the kindness in helping them to win the first prize in the coupon contest of Stewart Bros. & Alward, furniture company, and to assure them of their great appreciation of the same. 1t

IT'S YOUR KIDNEYS.

Don't Mistake the Cause of Your Troubles—A Newark Citizen Shows How to Cure Them.

Many people never suspect their kidneys. If suffering from a lame, weak or aching back, they think that it is only a muscular weakness; when urinary trouble sets in they think it will soon correct itself. And so it is with all the other symptoms of kidney disorders. That is just where the danger lies. You must cure these troubles or they lead to diabetes or Bright's disease. The best remedy to use is Doan's Kidney Pills. It cures all ills which are caused by weak or diseased kidneys. Newark people testify to permanent cures.

Charles W. Cooper, employed at George Hermann's clothing store and living at 223 Hoover street, Newark, Ohio, says: "Backache distressed me continually for a long time. There was a dull aching in the loins and my back was very weak. Besides this I had trouble with the kidney secretions which were irregular and disturbed my sleep at night. I was usually just as tired in the morning as when I went to bed. Nothing I could get seemed to help any until I began using Doan's Kidney Pills, procured at Crayton's drug store. I had heard a great deal about the wonderful action of this remedy on the kidneys and bladder, but I was greatly surprised by the quick effect in my case. I improved rapidly under the treatment until the pain in the back ceased and the action of the kidneys became normal. A few boxes made a complete cure."

The board authorized the clerk to advertise for bids for the deposit of school money in some city bank according to the law.

Bills were allowed to the amount of \$477.88.

The superintendent reported that \$66 was realized from the recent entertainment given by the school children in the Auditorium under the direction of Mrs. Weller. The board added an appropriation of \$100 to this sum, the total to be used in the purchase of reliable supplementary reading for the grades.

Truant Officer D. J. Jones made his monthly report.

Prof. W. E. Painter of East Newark, gave the board a brief review of the success of his manual training department in its different branches, stating that considerable interest was being manifested in artistic leather work. On his recommendation the board authorized the purchase of a second hand mechanical drawing set at a cost of \$5.

The plans for the High school building are now ready with the exception of the heating system, and that is expected to be prepared by the next meeting.

Two more were added to long list of applicants for the High school principalship Monday night.

Director Lied Removed by Columbus Council—B. & O. Section Men Demand Increase.

Columbus, O., April 2. — Governor Harris appointed A. W. Kiler of Columbus, secretary of the state board of pharmacy to succeed W. R. Ogier, who held the position 20 years and was a candidate for reelection.

The governor also announced appointments as follows: Chase Stewart, (Rep.), Springfield, and C. H. Adkins (Dem.), Lima, trustees of Wilberforce; John C. Corick (Rep.), Wauseon, manager of the penitentiary, to succeed Harry Griffith; Norman P. Nichols (Rep.), Medina, trustee Cleveland state hospital; Chris McKee (Dem.), Belle Valley, trustee Athens state hospital; C. R. Wagner, Arlington, trustee of Toledo state hospital; Carl Norpell (Rep.), Newark, trustee of Deaf and Dumb institution; Jesse L. Cameron (Rep.), Marysville, and D. Q. Morrow (Rep.), trustees of Soldiers' and Sailors' Orphans' home; William Beatty (Rep.), Toledo, trustee of Boys' Industrial home; F. C. Hubbard (Rep.), Columbus, trustee Girls' Industrial home; H. J. Eckley (Rep.), Carrollton, trustee Massillon state hospital.

Minister's Declaration.
Cincinnati, O., April 2.—The Methodist ministers had a sizzling session at the Methodist Book concern in the regular meeting of the Cincinnati Methodist Preachers' union, at which meeting Rev. Dr. Davis W. Clark retired after his term of two years as president of the union. Rev. Clark declared that theological dogmas are "curios that could well be kept on the top shelf." Immediately there was a storm, mostly of protest. However, a few of the ministers sided with Dr. Clark. The subject was so enthralling that nearly everybody present desired to voice his protest or his defense of Dr. Clark's words. Dr. Clark was led to make this statement about dogmas being "curios" in his reference to Professor H. G. Mitchell of Boston university, who has been on trial before the bishops on charges of teaching heresy.

Columbus Director Dismissed.
Columbus, O., April 2.—The city council by a vote of 12 to 1 removed Fred Lied, member of the board of public service, from office, on the charge of malfeasance, misfeasance and nonfeasance in office. Lied is under indictment on the charge of having accepted a bribe in connection with a paving contract, but the charges upon which he was removed have no connection with that case, having been developed by a committee which investigated the various city departments.

Demand of Section Hands.
Defiance, O., April 2.—Six hundred section men on the western division of the Baltimore and Ohio, which includes the road between Chicago and Chicago Junction, O., went on a strike for an increase in wages from 13 1/2 cents to 15 cents an hour and a 10-hour day. No trouble is being experienced and the prospects are that the strike will be settled within the next 12 hours.

Sick Prisoner Released.
Columbus, O., April 2.—Governor Harris released Morgan McSweeney from the penitentiary, where he was serving a life sentence for murder. McSweeney is nearly 70 years old and is suffering from brights disease. His crime consisted in the murder of the man who had betrayed his imbecile daughter. McSweeney will go back to Marietta, his old home.

Routed a Robber.
Cincinnati, O., April 2.—Undaunted by the threat of a revolver held against his breast, Rev. George N. Eastman, rector of the Church of the Epiphany, grappled with a burglar whom he found in his home and, after gouging out the intruder's eye in a desperate battle in the darkness, disarmed him of pistol and blackjack and put him to flight.

Demand Increase of Wages.
Columbus, O., April 2.—About 300 painters and paperhangers went on strike here for an increase from 35 to 40 cents per hour, an 8-hour day and increase in piece work prices. Some of the employers granted the demands. A serious strike is not expected.

A Criminal Attack
On an inoffensive citizen is frequently made in that apparently useless little tube called the "appendix." It's generally the result of protracted constipation, following liver torpor. In Circuit Court.
The case of Stephen Crossmoock vs. John Crossmoock et al is being tried to the Circuit court Tuesday. The suit is brought for the partition of 64 acres of land south of the city. Smythe & Smythe; Swartz.

WHEN YOUR BACK ACHES.

Take one teaspoonful of the following simple mixture after your meals and again before going to bed, viz.: Fluid Extract Dandelion one-half ounce, Compound Kargon one ounce, Compound Syrup Sarsaparilla three ounces.

Get the ingredients from some good prescription pharmacy and mix them yourself by shaking in a bottle.

The Kidneys often become clogged up and inactive, either from overwork or change of weather, and cause the back and sides to pain and ache. This is said to readily relieve almost any lame back; also overcome the worst forms of Rheumatism, by toning up the Kidneys and forcing them to filter the uric acid or Rheumatism poisons from their blood.

Cut this out and save it.

VEROFORM

Mr. W. E. S. Crane of the Veroform Hygienic company of New York is in the city today seeing the merchants in the interests of the Veroform products.

Each of the Veroform products not only serves perfectly for the purpose for which it is intended, but represents the highest achievement of scientific research.

The word Veroform is the name of an article for the toilet, sanative or other hygienic use as a quality mark registered in the patent office of the United States, Germany, England, France, etc. It denotes purity, safety, efficiency and reliability, and also signifies that the product is made and guaranteed by the Veroform Hygienic company.

B. & O. PASSENGER TRAIN IS WRECKED

ENGINE AND THREE CARS ARE DITCHED BUT NOBODY IS INJURED.

James Cody Hurt at Shelby is Improving—Budget of Live Railway News

A made up passenger train on the B. & O., running as the first section of No. 7, jumped the track at Dillon, a small station between Newark and Zanesville, Tuesday forenoon, ditching the engine and three of the cars. None was injured. The local officials are puzzled as to the cause of the accident and Supt. Irwin left on an early train to conduct an investigation. The train carried about 60 passengers who were brought to this city on a special train later.

Traffic on the Zanesville division of the road will probably be held up until late Tuesday evening. So far trains are being detoured by the way of Trinaway. The trouble is thought to be due to some difficulty with the engine, as the track was reported to be in good condition.

James Cody's Condition.
The condition of James Cody, who had one leg severed from his body and the other so badly injured that it was feared he could not recover, is said to be improved. Mr. Cody is a brakeman and fell from his train at Shelby. Young Mr. Cody is being cared for at a hospital in Shelby, where he was taken Saturday after the accident. The attending physicians state that his condition is quite favorable and that it is probable that the other leg may be saved.

Murder of S. G. Martin
Further details of the murder of Samuel S. Martin, formerly yard master of the B. & O. at this point, have not been received here. Mr. Martin was murdered at Ludlavinne, La., in a lumber camp, after a controversy with his roommate on the night of March 25.

Mr. Martin was a great friend of local railway employees and it was after him that the local order of the Brotherhood of Railway Trainmen was named. The details of the affair are meager but the knowledge of the tragic death of a man so well and favorably known in local railway circles was a complete shock to his former associates.

Railroad Noes.
G. W. Cunningham a popular fireman on the B. & O. R. R., who has been on the sick list for some days, has recovered and has been marked up for service.

Fireman G. M. Foley, who has been unable to work for some days on account of sickness, has recovered and is again on duty.

Emmet Smith, a shop employee who has been off duty for some time, suffering with an injured foot, will soon be able for service.

Zanesville Has Bad Money—Caught After Two Years—Coshocton Man Injures Himself.

Croton, April 2.—Prof. Gilpatrick of Granville, the county surveyor, is in Croton today, surveying the streets giving the property owners proper grades for their sidewalks. Many new sidewalks will be put down this spring.

DELAWARE PASTOR RESIGNS.
Delaware, O., April 2.—Rev. Dr. J. F. Shaffer, for 21 years pastor of St. John's English Lutheran church, has resigned. His health is the cause ascribed. Dr. Shaffer is clerk of the city Board of Education.

CAUGHT AFTER TWO YEARS
Delaware, O., April 2.—A fugitive from justice for more than two years Frank T. Lee of Ashley, who was indicted for the nonsupport of a minor child in 1905, was captured by Sheriff Leonard at Marion. He had boasted that the officers would never serve a warrant on him.

BAD MONEY AFLOAT.
Zanesville, April 2.—Every bank in Zanesville makes complaint of the circulation of a large number of counterfeit 35 and 50 cent pieces. The coins are said to be almost perfect in their imitation. The police were notified, but are without any good clue to the person who made or passed the coins.

BEAT ELECTION FOR MARION.
Marion, April 2.—Mayor Scherff has publicly informed the saloon-keepers that he would see that Marion has a local option election as soon as possible. The saloon men have refused to observe the Sunday closing laws.

PLAYS DESPITE SAD NEWS.
Bucyrus, April 2.—Broken hearted over a message which she had just received, telling of the fatal injury to her father at Ada, Miss Edna Schindewolf played the pipe organ through the Easter services at St. Paul's Lutheran church. The message came just as she was starting for the church.

Mr. Schindewolf's skull was fractured in a runaway and he will die. Miss Schindewolf left after the services for her father's bedside.

Winter Coughs

is uric acid irritation of the mucus membrane of your lungs, causing the deep, hollow coughing and unpleasant mucous discharges. You can get relief only by removing the uric acid, and this you can easily do with the right means. LIFE PLANT is the remedy provided by Nature expressly with which to fight uric acid. Uric acid is a part of the body's waste matter, which the blood is always busy carrying away from all over your system to throw out through the kidneys. But if your blood is weakened, as follows age, it is unable to get rid of all the uric acid, which then crystallizes in the form of tiny, sharp grains resembling sand. A slight cold in your chest causes these little grains to lodge in the bronchial tubes where they constantly irritate the mucus membrane. Expectorants or inhalations can never cure you of this trouble, because they cannot touch the cause.

LIFE PLANT quickly clears away bronchitis, because it goes in with the blood and dissolves and removes the cause—the uric acid grains. It makes not the least difference how long you have had bronchitis. Begin taking LIFE PLANT now, and soon your lungs will be young again, breathing with the vigor of youth and giving your blood a full supply of oxygen to keep it red and warm. This is one of hundreds of testimonials:

"My friends believed me to be fast running into consumption. My family became very much alarmed about my condition. My husband, hearing of the wonderful curative properties of Life Plant, prevailed on me to try it. I have used it with marked beneficial results, and am only too happy to recommend it."

ANOTHER WONDER OF SCIENCE
Biology has Proved that Dandruff is Caused by a Germ.

Science is doing wonders these days in addition as well as in mechanics. Since Adam lived, the human race has been troubled with dandruff, for which no hair preparation has heretofore proved a successful cure until New York's Herpicide was put on the market. It is a scientific preparation that kills the germ that makes dandruff or scurf by digging into the scalp to get at the root of the hair, where it saps the vitality; causing itching scalp, falling hair, and finally baldness. Without dandruff hair must grow luxuriantly. It is the only destroyer of dandruff. Sold by leading druggists. Send 10c. in stamps for sample to The Herpicide Co., Detroit, Mich.

REYNOLDSBURG'S ONE SALOON MUST GO

Local Option Election Results in a Victory for the Drys on Monday

After a two years' reign of the wet element, Reynoldsburg was voted dry at the local option election held Monday. The majority for no saloons was 18 out of a total cast of 120 votes. But one saloon was involved. The last previous election on the liquor question was held a little over two years ago. Previous to that time the town had been without saloons and the election was asked by the dry element with the safe feeling that it would result unfavorably to the liquor men and thus assure the town temperance rule for two years. But the vote was cast in favor of saloons by a majority of one.

CIVIC IMPROVEMENT ELECTION APRIL 4

The first annual meeting of the Newark Civic Improvement league was held in Taylor Hall Monday night, Vice President E. S. Randolph presiding.

Nominating committees were appointed to appoint candidates for the various offices of the league, and five of the executive committee. The committees will report at the adjourned session to be held on next Thursday evening when the annual election will take place. Every mem-

ber of the league and all citizens who can, are desired to be present. At this meeting the movement will be started toward the "greater Newark."

At Monday night's meeting the treasurer's report was heard. The league has a neat balance in the treasury and all bills are paid so that it starts its new year free from any obligations.

The league is preparing for much earnest work during the coming year and deserves the heartiest support from the citizens toward bringing about the many improvements so necessary to the city's welfare. At Thursday night's meeting it is hoped that every business and professional man in the city will be present and give suggestions toward this end.

DAY'S BUSINESS IN COURT HOUSE

JUDGE BRISTER MAKES REPORT TO TREASURER UNDER NEW SALARY LAW.

Nearly \$300 More Than Paid for
Salaries—County Treasurer—
Court Notes.

Probate Judge Brister made his quarterly settlement with the Licking county treasurer on Tuesday under the new salary law for the quarter ending March 31, 1907. He was the first county official to make a settlement with the county. He paid into the county's treasury \$1535.12, being the amount of cash actually earned and collected in the Probate court for the months of January, February and March of this year. This is an excess of surplus of \$267.72 more than was paid for the salaries of the Probate judge and deputies during that time. In addition to this other fees were earned during this period but not collected, which would swell the aggregate two or three hundred dollars more, probably. In comparison with the \$1535.12 paid in by the Probate court of Licking county, Muskingum county may be compared. The Probate judge of that county paid in only \$700.

Cross Petition.
In the case of Edward Umstaedder vs. The Newark Savings Bank company and others, the cross petition of the Homestead Building and Savings company and George P. Webb, receiver, has been filed with the clerk of the court. They say that on May 21, 1904, there was on deposit in the bank in the name and to the credit of Wm. E. Miller, as treasurer, \$22,464.83 belonging to the Homestead Building and Savings company. That after the receiver had been appointed by the court to take charge of the assets and property of the bank it was ascertained and stated in writing, delivered to Geo. P. Webb as receiver of the Homestead Building and Savings company, by the receiver of the Bank company, that this was due to the Homestead Building and Savings company, and to George P. Webb as its receiver from the Bank company, the sum of \$22,464.63 with interest from May 20, 1904. That there was paid to Geo. P. Webb as receiver of the Homestead Building and Savings company, \$3,856.59, which was a dividend of 40 per cent or \$9,641.99 of the claim; that no further payment has been made and there is due to this answering defendant from the Newark Savings bank, \$22,464.63, subject to a credit of \$3,856.59, for which judgment was asked. Kibler & Montgomery, attorneys for the answering defendant.

Cross Petition of Wm. Butler.
In the case of Edward Umstaedder vs. The Newark Savings Bank company, William Butler, who was made a party to the action, has filed his cross petition against the defendant, in which he asks judgment against defendant for \$144.87 with interest from May 20, 1904, subject to a credit of \$59.67. Kibler & Montgomery, attorneys for Wm. Butler.

CARD FROM STANDPOINT OF THE CARPENTERS

(Communicated.)

The Journeyman Carpenters take issue with the contractors, and also take exceptions to some of the statements that appeared in the public press of last Friday, relative to their demands.

The contractors' statement that the Carpenters' Union met only a few days ago and raised the wage scale from 33 1-3 to 37 1-2 cents per hour, is misleading, and wholly unfair. Now the facts are that the union met January 14, and took the action referred to and gave the contractors ample time in which to prepare for the advance. The next thing, the journeymen would ask of the contractors is, why they do not take the same stand toward the advance in building material, of which they so bitterly complain, that they do toward the journeymen carpenters, and refuse to pay the said advance. It appears to the journeymen that the contractors are inconsistent in their position or they would issue their ultimatum against the advance in building materials by refusing to buy

them the same as they do against the advance of the journeymen by refusing to buy his labor, except it be upon the terms laid down and subject to his (the contractor's) "own sweet will." Now, the next question the journeymen would ask is, since the price of building materials and all other commodities, that he himself must buy, have advanced in price, why should he not share in the advance, at least enough to keep even with the contractors as they appeared in the past. Now, what we, the journeymen, would like the public to understand, is the very simple proposition that the Journeymen Carpenters' Union is only asking for a share in our boasted prosperity and from our standpoint a very small share, as any thinking person knows that three dollars per day of eight hours is not unreasonable for a mechanic at the present time, when commodities are at the highest price known in thirty years.

We concede the right of the contractors to not employ us if they so choose, but we reserve the right to become contractors if necessary, and give the public our services direct, and without intervention, and, incidentally, the profits of the contractors.

We are wholly at a loss to understand just when the contractors became the conserves of public justice and wisdom as indicated in their notice to the public in last Friday's press.

SHARON VALLEY

Sunday School Held Interesting Easter Services—Elaborate Program Carried Out.

The little church in the Sharon Valley about three miles from Newark, formerly used by the Welsh Calvinistic Methodist people as a place of worship, and which was organized last December, has a flourishing and prosperous Sunday school of which the following are officers: Superintendent, J. T. Abbott; assistant superintendent, Mr. Williams; secretary, Mr. Claggett; treasurer, Miss Norpell; organist, Miss Woods, and chorister, Mrs. Hiles. There are six classes in the Sunday school with a total membership of 64. On Easter Sunday a fine program, consisting of numbers appropriate to the occasion and the day, was rendered by members of the Sunday school. Quite a number of the young people from Elizabeth chapel were present and greatly enjoyed the exercises.

BOARD OF TRADE BANQUET AT ASSEMBLY HALL WEDNESDAY NIGHT

The annual meeting and banquet of the Newark Board of Trade will be held tomorrow (Wednesday) night at Assembly Hall, in the Union block. Every man in Newark is invited to join this organization and participate in Wednesday evening's program. Membership tickets for 1907 are now being secured by many, but those who have not been approached by the committee may obtain tickets by calling at the office of the Newark Real Estate and Improvement company, 40 North Third street. Only those holding 1907 tickets will take part in the election of directors for the ensuing year. Col. W. C. Wells reports that a lunch will be ready for Board of Trade members upon their arrival at the hall. After the election of officers for the year and the discussion of matters of interest to the welfare of Newark a banquet will be served. The following named men will speak: Mayor S. H. McCleery, Prosecutor J. R. Fitzgibbon, Solicitor F. A. Bolton, Prof. J. D. Simkins, A. C. Davis, W. D. Fulton and B. F. McDonald. Following is a list of the members of the reception committee: F. M. Black, W. H. Mazey, George D. Bradshaw, Fred C. Evans, Captain A. H. Heiser, Carl Norpell, Prof. J. D. Simkins, Wesley Montgomery, W. S. Veilant, W. W. Wearle, William Kellenberger, Charles A. Smith, Geo. Hermann, O. A. Crane, R. C. Bigbee, Charles Long, Henry Beckman, S. F. VanVoorhis.

SHORT SPORT NOTES FOR BUSY READERS

Ace Stewart, spitball artist, last year with Marion, will play with the Steubenville team of the P. O. M. league. A Zanesville writer says the O. P. league won't last any longer than "that old, overworked snowball proverb." We're willing to risk it. Some fan who is also statistician, has figured that it cost St. Louis \$19.22 for each one of George Stone's 208 hits. That's nothing. Scottie Winters got a whole hatful of money for one hit at Wehrle park last summer. There is now no doubt about Ehmman's fate. He has been resold to Akron. He will probably lead the O. P. pitchers this season. The New Castle Herald says Newark will open the season there May 10. The Nocks will open Wehrle park or at Lancaster. It is more probable however, that Youngstown will open here. Big Mert Whitney has been purchased by Manager Sterl Wolverton of the Williamsport Tri-State league. Whitney was under contract with Manager Stallings of Buffalo. Wolverton by the way, is a Mt. Vernon boy and a former Senator. City leagues have been formed in Youngstown, Akron, New Castle and a factory league in Sharon. Newark has had a city league for four consecutive years. Bert Blue, a little late, signed his

PETE MAHER KNOCKED OUT AT HOT SPRINGS

Frank Gotch, Defeated Farmer Burns at Chicago in Two Straight Falls.

Hot Springs, Ark., April 2.—Pete Maher, the one time aspirant to heavyweight championship honors, was knocked out by Marvin Hart of Louisville in the second round of what was scheduled to be a 20-round bout. Hart was the aggressor and Maher was unable to block the blows sent in by the Kentuckian. In the first round Maher was struck in the stomach and sent to the mat. He was saved by the gong. Seconds carried him to his corner, and it was evident that he was exhausted. Hart only struck two blows in the second round when Maher reeled and fell to the floor. During the short bout Maher succeeded in sending in a right swing to the jaw which visibly affected Hart.

Floored the Farmer. Chicago, April 2.—Frank Gotch defeated "Farmer" Burns here at catch-as-catch-can wrestling in two straight falls. It took Gotch 20 minutes and 5 seconds to secure the first fall and 17 minutes and 30 seconds for the second.

Easy For White Sox. Indianapolis, April 2.—The Chicago American league club defeated the local American association team here by a score of 8 to 2. Indianapolis scored its only runs on errors by the visitors.

Meat For the Cubs. Columbus, O., April 2.—The Chicago Cubs defeated the Columbus American association team, 10 to 1. The extreme cold was responsible for numerous errors.

Reds Drop Another. Cincinnati, O., April 2.—The Boston American team won the second exhibition game from the Cincinnati National league team by a score of 8 to 1.

BITTER CONTEST ON. Cleveland, April 2.—Indications that the O. P. schedule, if adopted this afternoon will be very late. A bitter fight is on over the holiday dates.

TO MAKE HOME BEAUTIFUL.

To every woman home is the dearest place on earth and it is her life's ambition and her constant endeavor to make it most beautiful. Men may grumble and continue to take his dinners down town during house-cleaning time, but were he to acknowledge the real truth, when his wife's spring and fall campaigns are over he is as proud of the result as herself, much as he dreads the muss and the work attendant on those seasons. Housekeepers at such times, or at all times, will find in SPARTAN VARNISH STAINS one of the greatest agents to assist in the beautifying process. SPARTAN VARNISH STAINS are the most practical Varnish Stains made and will be found superior to any other preparation sold for finishing or retouching interior woodwork or old furniture. The best thing about the Spartan Stains is that they are honestly made, of the best materials, and can be worked very easily. Most of these preparations work hard; are too stiff, do not brush well. SPARTAN VARNISH STAINS work from the brush smoothly and easily; cover the surface evenly, and will be found to give better results than can be obtained with other stains. SPARTAN VARNISH STAINS are high grade goods but cost no more than the cheap kinds. Made in the following shades: Light Oak, Bright Cherry, Mahogany, Dark Oak, Dark Cherry, Rosewood, Golden Oak, Walnut, Natural. Any lady who will give Spartan Varnish Stains a single trial will at once convince herself of their value and the truth of our claims. If you have a vestibule door that looks rusty or soiled; if there is an old table, a bedstead, a chair, or any other piece of furniture from which age and wear have removed the finish, you can make it look like new again with one or two coats of Spartan Stain. These stains are not intended for outdoor work. Sold by Newark Paint Co., 21 West Church street, only exclusive paint store in Southeastern Ohio.

SPARTAN WHITE LEAD is absolutely the best and most practical White Lead made. Best for the painter and best for the property owner. Manufactured by THE MARIETTA PAINT & COLOR CO., Marietta, O. 4 Jno. Reiss and the Aetna Powder workers were blown to pieces at Hammond, Ind., today.

WEDDINGS.

CHAPMAN-HOOVER.

At the Chapman residence, North Cedar street, Thursday evening, occurred the marriage of Mrs. Emma Chapman to Mr. James Hoover, the Rev. J. A. Bennett of the Baptist church performing the ceremony in the presence of about 50 invited guests. Mrs. S. C. Wyllie and Mr. D. Gault were best man and bridesmaid. After congratulations a four course supper was served. The table was decorated with pink and green ribbons, while a large candelabrum formed the centerpiece, with pink and green caidles. The house was decorated throughout with ribbons and potted plants, the color scheme of pink and green being carried out. The bride received some very handsome presents. Mr. and Mrs. Hoover have the best wishes and congratulations of their many friends. They are now at home to all their friends. Those present at the wedding were Mrs. S. C. Wyllie, Mrs. M. M. Nelbarger, Mr. and Mrs. John Powell, Mr. and Mrs. W. E. Laird and son Robert, Mr. and Mrs. Otis Powell and son Nelson, Mr. and Mrs. Lester Spiger, Mr. and Mrs. Frank Anderson and daughter Mary, Mr. and Mrs. Fred Chapman and son Roy, Mr. and Mrs. E. M. Little, Mrs. Mattie Orr, Mr. and Mrs. Charles Swartz and family, Mr. and Mrs. Archie Chapman, Mr. and Mrs. Ed Powell and daughter Elsie, Miss Edna Mason, Miss Nellie Mason, Miss Lulu Swartz, Miss Maude Moats, Mr. Carl Chapman, Mr. Henry Swartz, Mr. Lewis Hottinger, Mr. Walter Kelley, Master Theo Chapman and Harry Powell. The out of town guests were Miss Laura Livingood of Zanesville, Mr. Isaac Caw of Zanesville, and Mr. D. Gault of Coshocton.

RANDLES-M'WILLIAMS.

On Saturday afternoon at 3 o'clock Mr. Harry Randles and Miss Cora Williams were united in marriage at the manse of the Second Presbyterian church, Rev. T. A. Cosgrove solemnizing the ceremony. Mr. and Mrs. Randles will make their home in Coshocton where they have the best wishes of a host of friends. Nine of 16 Ohio Republican Congressmen are openly in favor of Taft for President. Of 7 who refuse to talk none is openly for Foraker.

MOTORMAN IS HEAVILY FINED

MAYOR FIXES THE AMOUNT OF MOTORMAN LYBRAND'S FINE AT \$250.

Interurban Man Up For Failing to Heed Signal to Stop Car in East Newark.

"Two hundred and fifty dollars and costs of prosecution," said Mayor McCleery Monday night after the testimony had all been taken in the case of Motorman H. K. Lybrand who was charged with failing to heed the signal of O. D. Wilson last Thursday when Mr. Wilson wanted to board Lybrand's car. Mr. Lybrand's attorney immediately announced that the case would be appealed to the Common Pleas court. The interurban people propose to test the constitutionality of the ordinance under which the prosecution was conducted. No testimony was given by the defense. Lybrand's bond was fixed at \$500 and it was made out and signed at once, the company's attorney going security for his appearance. Advocate readers will remember the case. The affidavit for Mr. Lybrand's arrest was filed before Mayor McCleery last Thursday. Mr. Wilson the affiant, with his aunt, had planned a trip to Crooksville via Zanesville. They tried to board the interurban car at Buena Vista street but the car whirled past them without stopping. Mr. Wilson went before Mayor McCleery immediately and filed the affidavit. The case was opened Monday afternoon all the testimony but that of the train dispatcher being taken. The case was then adjourned until evening, as he could not be relieved from duty. Mayor McCleery claims that a decision of the Circuit court in a similar case has upheld the city in the matter and that he feels reasonably sure that the constitutionality of the ordinance will not be considered by the higher courts.

TABACCO KILLS

An Absolute "Stopper" for the Brain-Killing, Nerve Destroying Tobacco Habit Has Been Found.

Send for a Trial Treatment Today.

The tobacco habit is a curse, and every man knows it. Some "smart kids" don't know it. Most men would like to quit, if they knew they could do it "easy," without causing them discomfort. "Easy-To-Quit" is a treatment that will make the smoker and the chewer absolutely quit for good the use of tobacco in any form.

THE START.

You know what the finish will be unless you cure him of the awful habit. He cannot do it himself. Tobacco deadens the brain, stupefies the conscience, ruins the affections, brings the beast to the surface. Most tobacco users are the last ones in the race for success. Business men nowadays are looking around for men and boys who are not tobacco slaves, for clear-headed, strong-nerved helpers who can be relied on. It takes only ten minutes for tobacco to change the beats of the heart. To keep it up is to tempt death by heart disease, nervous collapse, tobacco cancer, and stomach, liver or kidney diseases. For the young cigarette fiend who has become so calloused that he smokes in the face of his mother, sister, wife or sweetheart, "Easy-To-Quit" is a salvation. Mothers, save the young smoker's brain, he cannot do it himself. Wives, sisters and sweethearts, help save the mind, body and future of some one who is near and dear to you. Without your help it may not be done. "Easy-To-Quit" is a positive, absolute "stopper" for any tobacco habit. It is a vegetable remedy and any lady can give it SECRETLY in food or drink. It is harmless; leaves no reaction or bad after effects, and it stops the habit to stay stopped. Fill out blank lines in coupon below with name and address, and mail for a free trial today.

FREE PACKAGE COUPON

If you fill out the blank lines below with your name and address, cut out coupon and send it to us, we will send you absolutely free, by mail, in plain wrapper, a trial package of "Easy-To-Quit." You will be thankful as long as you live that you did it. Address Rogers Drug and Chemical Co., 1283 Fifth and Race Sts., Cincinnati, Ohio.

BAPTIST MINISTERIAL CONFERENCE IS NOW IN SESSION AT GRANVILLE.

Granville, O., April 2.—The much anticipated Baptist Ministerial Conference of Ohio opened here Monday afternoon with an attendance representative of the whole state. The session began in Cleveland Hall with a cordial address of welcome by Dr. Hunt, president of Denison university, and a response by Dr. H. F. Stillwell of Cleveland, pastor of the First Baptist church of that city, and president of the Ohio Baptist Ministers' Conference. Dr. Stillwell's address sound the keynote for the three days' meeting in a consideration of "The Minister in His Relations." An interesting devotional meeting followed the address of Dr. Stillwell. At 3:30 o'clock p. m. the meeting was transferred to the Recital Hall near by, and thrown open to all who chose to attend. The sole feature of this part of the service was a remarkable sermon by Dr. James A. Francis of New York City, who is to speak at every session of the Conference. It was a wonderful address, thrilling with energy and enthusiasm, containing passages of lofty eloquence and an exposition of the closing chapters of John's gospel of singular insight and power. Many pastors expressed themselves as fully rewarded for their long journey by the first session of the conference.

CLEVELAND HALL DENISON UNIVERSITY.

In the evening a devotional meeting of great interest was conducted at Cleveland Hall under the leadership of Rev. W. E. Louck, of Toledo. This was followed by the eagerly anticipated lecture by Edgar J. Banks, Ph.D., on "The Excavations and the Bible." This was, if possible, more interesting and informing than the lecture by Dr. Banks in the same place three weeks ago. The confirmation and illustration of Scripture by evidence brought from remotest antiquity, presented in vivid stereopticon views and in the graphic description of the man who has himself unearthed the oldest city in the world, T. B. Caldwell, A. W. McDaniel, and J. W. Ely of Zanesville; Rev. H. D. Allen of Wooster; Dr. G. E. Leonard and Rev. Herbert Agate of Norwalk; Rev. D. E. Carman and Rev. H. H. Banden of Cambridge; Rev. Miles N. Reed of Lee, Mass.; Rev. F. E. Brinmool of Mt. Vernon; Rev. J. F. Mills of Marietta; Rev. and Mrs. W. H. Wilson of Byesville and many others.

The visitors are being entertained at private homes and in the dormitories, meals being served in the dining hall of Shepardson college.

LAWYER CARL NORPELL IS RE-APPOINTED

Attorney Carl Norpell of this city was Monday re-appointed a member of the Board of Trustees of the State Deaf and Dumb Institution. The appointment was made by Gov. Harris.

Mr. Norpell was first appointed to this office by Gov. Nash in the summer of 1900 to fill the unexpired term of Mr. Burgess McElroy, whose death caused the vacancy. In April, 1902, Mr. Norpell was re-appointed by Gov. Nash and has served on the board since that time.

SECTION MEN ON OHIO CENTRAL LINE

ORDERED TO CHANGE RESIDENCE FROM GRANVILLE TO CENTRAL CITY.

Gas Well on Sunnet Farm—Pythian Meeting—College Town—Personal Items.

Granville, O., April 2.—It is reported that the section men of this section of the T. & O. C. railroad have quit work and all on account of an order recently issued requiring them to change their place of residence from Granville to Central City. Ever since the road was built the section men on this particular section have made their homes in Granville and are permanently located here, having their families here and several of them owning their little properties. The men claim they cannot afford to break up and leave Granville. It is said that two of the men have secured employment in the glass works in Newark, while two others have secured employment here. Thus far two men have been secured to take the places of the section men who quit work.

The drillers who have been engaged in drilling the well on the Sunnet farm, near the tracks of the T. & O. C. railroad, this place, for the past several weeks, have been compelled to discontinue operations for a day or two on account of the cable having given out. They are now down about 1700 feet and expect to bring in the well the first of next week. Granville people have been watching this well with great interest and it is hoped that it will be a good one. Should the well prove a gusher it would prove a big thing for Granville.

Mr. A. A. Jones, the well known teamster between Granville and Newark, has moved into his new property in the West End.

The regular meeting of Altamaha lodge, Knights of Pythias, will be held on Wednesday night, when it is desired that as many of the members as can possibly do so, be present. There will be work in the Esquire rank.

Mr. and Mrs. H. M. Morris of Columbus, who have been visiting here for a few days, have returned home, having had a delightful time.

Miss Carrie Livingston of Portsmouth, O., is spending a few days visiting friends here.

Mr. Thomas Vandenberg made a business trip to Black Hand Monday.

Mrs. Caroline King of Springfield, O., made a short visit here with old friends on Monday.

E. E. Wright of the firm of Wright & Wright, grocers, was in Columbus, Monday on the lookout for a good driving horse.

Wm. Morton, a prominent farmer of Morrow county, was in the village Monday on business.

Mrs. Austin, the aged mother of Postmaster Austin is quite sick at the home of her son.

Miss Minnie Wilson, of Bucyrus, after a pleasant visit here with friends, has returned home.

Mr. Garretson the well known lumber dealer of this place, it is reported, purchased the desirable Ransom property at the east end of the village.

Mr. C. J. Wright has purchased a fine driving mare from Bert Mencer.

Hard Times in Kansas.

The old days of grasshoppers and drought are almost forgotten in the prosperous Kansas of today, although a citizen of Codell, Earl Shamburg has not yet forgotten a hard time he encountered. He says: "I was worn out and discouraged by coughing night and day, and could find no relief till I tried Dr. King's New Discovery. It took less than one bottle to completely cure me." The safest and most reliable cough and cold cure and lung and throat healer ever discovered. Guaranteed by F. D. Hall's drug store 50c and \$1.00. Trial bottle free.

Two foreigners were arrested by Officer Carroll this morning for disorderly conduct. One was fined \$5.00 and costs and the other discharged.

Best Claggett was fined \$5 for over-driving a team.

Burt Scott was fined \$5 for being drunk on a B and O train Monday.

AMUSEMENTS

LION AND THE MOUSE.

"The Lion and the Mouse," which is now in the second year of its run at the Lyceum theater, New York, and which is unanimously conceded to be one of the most successful dramatic offerings of the decade, will be presented in this city at the Auditorium Thursday, April 14.

This strong play of American politics and finances is from the pen of Charles Klein, who has contributed to the stage a number of masterpieces. Mr. Klein has been felicitous in the choice of his subject, that of the power of wealth in American public affairs. He has handled it vigorously but with many touches of characteristic native humor. Indeed the play is said to be a galaxy of wit, humor and pathos. Henry B. Harris, under whose direction "The Lion and the Mouse" will be presented, offers the same company here as was seen for three months in Chicago and 12 weeks in Boston, and which includes Gertrude Coghlan, Arthur Byron, Malcolm Duncan, Grace Thorne, Joseph Kilgour, A. S. Laman, Mabel Mortimer, Edith Shayne, William H. Burton, Christine Blessing, Edward See, Eliza Mason, P. S. Barrett and Ada Curry.

TRAINED ANIMALS.

Go to the Auditorium April 2, and see the E. K. Crocker horses, ponies, mules and donkeys. See the original mule Maud purchased by Professor Crocker in England. Go and see a

rare treat and incidentally help the Day Nursery.

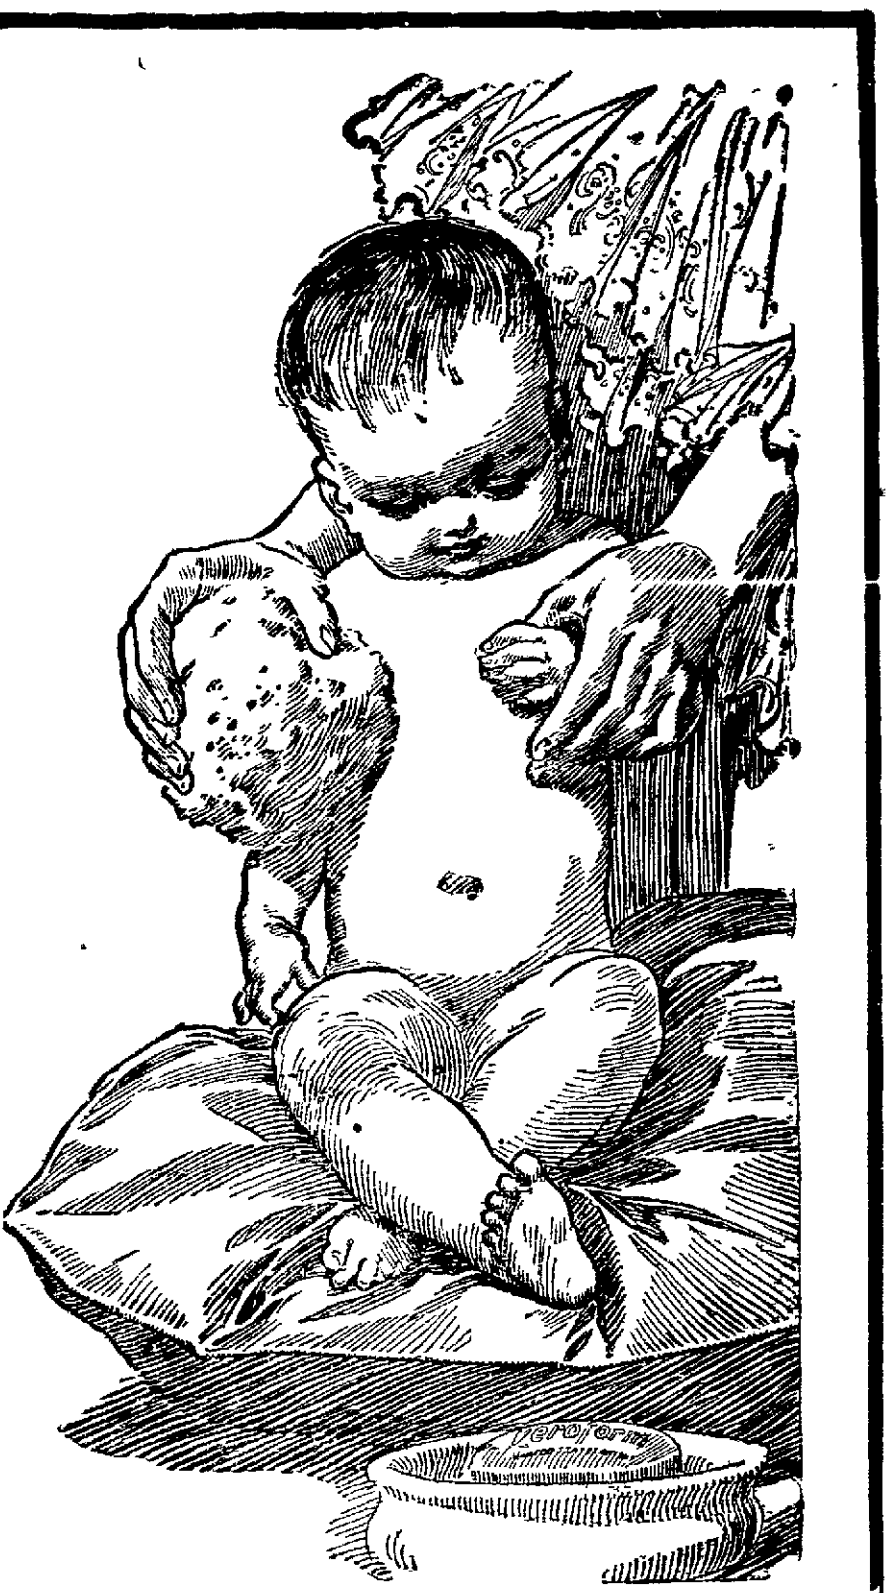

The London, Eng., Globe has the following to say:

"Of equine intelligence the London public has before now seen many notable manifestations, but none so remarkable as those supplied by Mr. Crocker's extraordinary pupils. Individually and collectively they surpass, we should say, all that has hitherto been achieved by members of their race. The entertainment is emphatically one to be seen, being extraordinary and in no sense monotonous."

BIG CIRCUS HERE TUESDAY APRIL 23

Adam Forepaugh and Sells Brothers' advertising car No. 1 is in the city today while an army of bill posters is busy. Frank J. O'Donnell, press representative, was seen by a reporter today. He declared that in the history of the business no circus ever presented the novelties and the great acts that are to be seen under the tents of the Forepaugh and Sells Brothers' show. It is entirely a circus of foreign talent with a novelty every minute and nothing to be seen that has ever been seen before.

Immediately upon the arrival of the car this morning five barrels of flour were made into paste for today's work. The local force is posting the bills in the city, while a brigade of 25 in billing the surrounding farmside and villages. By sundown tonight something like 100,000 sheets of paper will have been put up. The date for the circus here is April 23.

veroform toilet soap

made in accordance with the directions of Dr. Stahlschmidt, immeasurably surpasses all other soaps. Its use imparts an enduring sense of well-being. It is as restful and refreshing as a morning in June.

Its invigorating and healing properties; its beautifying and soothing effects; its subtle, open-air fragrance, all combine to render Veroform Toilet Soap as distinctive as it is luxurious, as effective as it is delicate and dainty.

The most exquisite toilet soap that ever was made, even if it had no medicinal value.
The most effective medicinal soap that ever was made, even if it had no special merits for the daily toilet.

Received the Gold Medal, and a special award, the Cross of Honor, at the Health Exposition, Berlin, 1904; Prize Medal, Luthich, 1905; Grand Medal for Progress, Vienna, 1906.

Sold at All the Leading Stores

Besides Veroform Toilet Soap in cakes described above, there is also made Veroform Toilet Soap Liquid—absolutely neutral, antiseptic and non-irritating. Veroform Toilet Soap Liquid is ideal for shampooing, leaving the scalp in aseptic condition and the hair perfectly clean, with its natural gloss. In the nursery, Veroform Toilet Soap Liquid, sprinkled in the water, prevents eczema and chafing, and keeps the baby sweet and healthy. For the sleeping car and hotel toilet the hygienic advantages of Veroform Toilet Soap Liquid over cake soaps are instantly recognized.

KORN-KINKS

Kornelia Kinks got swatted for this,
Which served her quite right—the jocular miss,
For she said when Marjory's fingers got caught,
"Oh! hush, get, Maud, I forgot it was hot."

Have you tried "Korn Kinks" yet? If not, do so at once, for you are missing something really fine. It's made of the malted flakes of corn, and its flavor will delight you. It's easily digested, too. At your grocer's and only a nickel.

New J B Corsets

There Is a Model Built
For Every Form

THE J B CORSET people build so many kinds of corsets that we can make the one that fits the individual of the women fit the corset. Its an important point. The slender, medium and large figure can each find a model especially adapted to their needs. This week we have a special exhibit from the J B Corset manufacturers, showing the newest corset shapes for spring. We heartily recommend this corset to our customers for the many good qualities not found in other corsets at the same price. Every well-dressed woman realize that the perfect fit of her gown depends entirely on the fit and outline of her corset. In the J B models you will find exquisite outlines and grace, never before realized in American creations. Durability is also a strong feature of the J B Corsets. It begins with the selection of the materials. Every bone, fabric, and even pieces of tape are carefully inspected, and every stitch and stroke is by competent hands. The result is the most durable corset that can be produced. Our corset department contains all the models of special feature, the new princess back, medium and high bust effects, and the new long hip girdle, all with attached hose supporters.

ALL THE BETTER CORSETS FITTED AT OUR
STORE. COME THIS WEEK AND SEE THE
SPECIAL J B CORSET EXHIBIT.
